**COMBINATIONS**  
 MODELS 1500 / 1572 / 2003

**1572**  
 12.75" Trashwheels<sup>®</sup>  
 clean full width path  
 for gauge wheels while  
 cutting tough residue

**2003**  
 with 14" Trashwheel<sup>®</sup>  
 for no-till planting on  
 narrow rows

**1500**  
 Modular coulters lets you  
 turn basic Trashwheels<sup>®</sup>  
 into a 1572.

| Model #  | Description  |
|----------|--|
| 1572 R/L | TRASHWHEELS <sup>®</sup> ROW CLEANER & COULTER COMBINATION<br>Cleans full width path for gauge wheels while cutting tough residue. |
| 2003 R/L | TRASHWHEELS <sup>®</sup> ROW CLEANER & COULTER COMBINATION<br>Useful when clearance gets tight down to 15" centers.                |
| 1520     | BASIC NO-TILL COULTER<br>Stand alone coulters cuts through heavy residue.  |
| 1500 R/L | MODULAR "ADD-ON" COULTER<br>Use as stand-alone no-till coulters, or add Dawn Trashwheels for sturdy no-till coulters combination.  |

- Patented design shears away trash and soil even in heavy residue conditions for self-cleaning action that resists plugging and buildup.
- Narrow row configurations available
- Forged hubs run on **TIMKEN**<sup>®</sup> roller bearings.
- Grease-to-purge design means no over-greasing and easy cleaning.
- Trashwheels<sup>®</sup> guaranteed against bending or breaking

# COULTER / TRASHWHEELS

## 1572 Coultter / Trashwheel® Combination Unit

for use on wide row spacing

Designed to slice through dense, fibrous residue, then sweep trash and clods clear from the path of the planter unit gauge wheels.

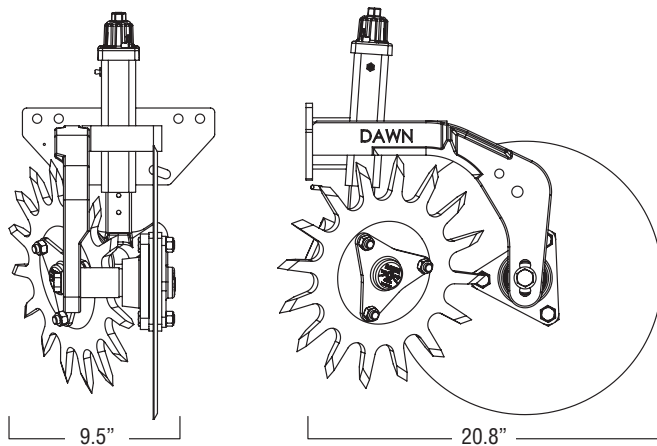

Fits JD 1700 series (1770NT, 1780, and 1790), post-1993 Kinze, White 6000 and most White 8000 series planters.

## 2003 Coultter / Trashwheel® Combination Unit

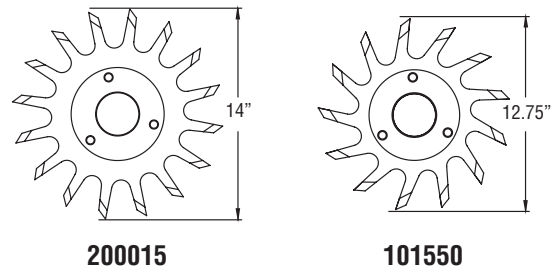

for use on row spacings of 15" - 22"

Offset coultter cuts trash, allowing for the effective performance of single wheel, for narrow row spacings.

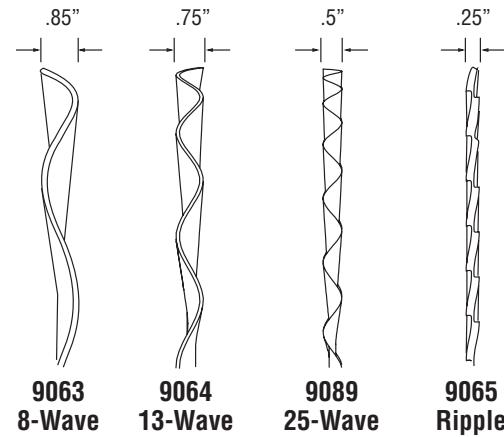

Fits JD 1700 series (1770NT, 1780, and 1790), post-1993 Kinze, White 6000 and most White 8000 series planters.

## Trashwheel® Options

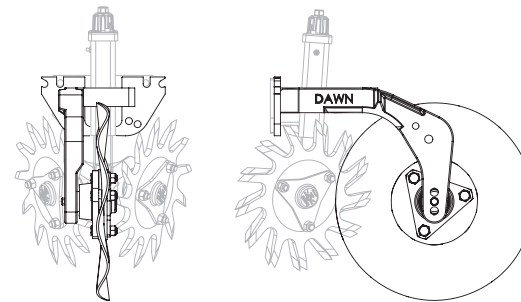

## Coultter Options

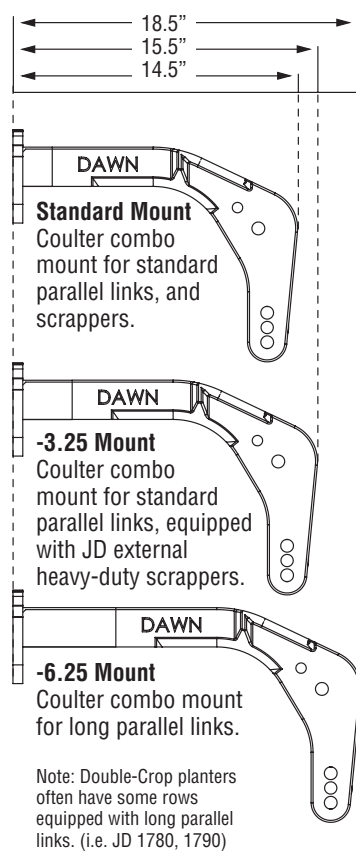

## 1500 Add-On Coultter Combination Unit

for use on planters already equipped with Trashwheel® Row Cleaners

Creates either 1572 or 2003 unit using existing Trashwheels® with this modular design.

## Coultter Combination Mounts

## 1520 Basic Coultter

Economical, heavy-duty coultter, available with your choice of blade.
